future developments and growth in this branch. This fact is a
reality in the world now. The department had intake of 60
in 1983 and now the current intake for the undergraduate program
is 240. The Postgraduate (PG) program in Computer
Engineering was started in 2000 with a student intake of 25 and PG
in Data Science with an intake of 24 from 2020. The
department has a Ph.D. research centre, since 2012. All the UG, PG
and Ph.D. programs are affiliated to Savitribai Phule
Pune University (SPPU).

Students are regularly placed in top MNCs with an average package
of 12 LPA and highest package of 1.12 Cr. Our students
are pursuing higher education in top universities (Indian as well
as Foreign). The department encourages students to
participate in various National and International level
competitions, sports events and
extra-curricular activities.</p>
